**Subject:** Files for Printing Susan and Larry's Thursday materials  
**Importance:** High

Lisa,

Thank you so much for printing out Susan and Larry's Thursday materials.

We will need 2 color copies of each file with 3-hole punches. It might be easy to group the files together and put a sticky note for each section (so they know what goes with what).

New Calendars (one copy of each person's calendar to Susan and Larry – 3 hole punched and sticky note for tab 11 – for Susan she gets her's on top, then Larry's, then Patrick's – Larry gets his on top, Susan's, then Patrick's)

OSRE Bi-Weekly (1 pdf file paperclip with sticky note for tab 12)

RCRA Air NEI Briefing (3 pdf files – RCRA Air AA Presentation, RCRA Air NEIs with Universe, RCRA Air NEIs without Universe, RCRA Air NEI Pie Chart – paperclip altogether with sticky note for tab 13)

OCE Weekly (Agenda word document only - no materials - with sticky note for tab 14)

OECA – PHMSA Coordination Meeting (Agenda – no materials with sticky note for tab 15)

Please let me know if you have any questions.

We can't thank you enough for printing this out. You are the best!
